### About This Game

Propelled by envy at his brother, Hades instigates the sorceress Ate exiled from Olympus to cast a wicked spell. As a result, Zeus' children fall down from the heavens, and the Thunderer forgets about their existence. Will the kids survive on the earth without food and essentials?

Will they manage to rally and to show their courage for finding a way back to Olympus as well as fulfillment in their life?

During their journey the heroes will need arrange the Olympic Games, visit the underworld being Hades' domain, go through snow lands inhabited by minotaurs and, what is more, they will be swallowed by the terrible sea monster Charybdis.

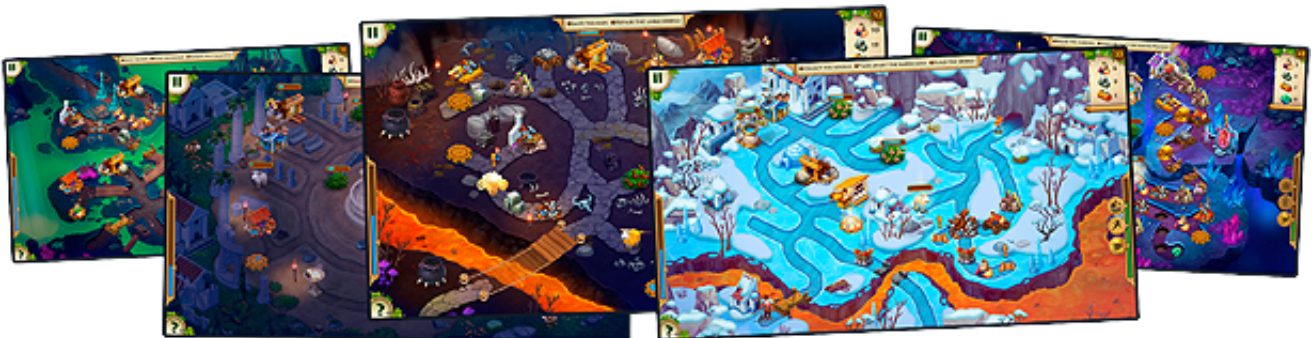

The Collector's Edition of the game enables you to immerse yourself to the world of dreams and nightmares for fighting against the dark side of Ate. Make no delay to go off a journey through Ancient Greece right now! The fate of Hellas' children is in your hands!

- Amazing strategy game from the creators of “12 Labours of Hercules” and “Alicia Quatermain”
- Fascinating world of ancient Greek myths and epic adventures
- Interesting characters and exciting story
- Stunning full HD graphics
- Special challenges for skilled players on difficult mode
- Puzzles and bonus levels for the attentive players
- Strategy Guide and stunning wallpapers.

Jetdogs Studios, Whalebox  
Publisher:  
Jetdogs Studios  
Release Date: 22 Feb, 2019

a09c17d780

English,French,German,Russian

---

I thought this was a spin off of the 12 Labours of Hercules series.... it seems to be more of it's own thing, and a reskin of the Alicia Quatermain games at that.

Would vote neutral if I could.
